2028 WORLD CRUISE

TREASURES OF THE TIDES

Join our full circumnavigation of the globe, Treasures of the Tides, on board *Crystal Symphony*. It's sure to be extraordinary.

FORT LAUDERDALE → FORT LAUDERDALE

150 NIGHTS | JAN 11, 2028 — JUN 10, 2028 | CRYSTAL SYMPHONY

ROME, ITALY

LOOPING THE LOOP

Westwards we go around the globe, countries laid out like stepping stones before us. And what a path lies ahead: ancient temples sinking into dense jungles, futuristic skyscrapers rising from the desert, tiny islands steeped in myths, and dynamic cities humming with creative energy. Setting sail from Fort Lauderdale, Florida, this exceptional voyage weaves its way along the shores of Central and South America, including a memorable crossing of the Panama Canal, to the tropical Technicolor glory of the islands of the South Pacific. We trace the cinematic coastlines of New Zealand and Australia, bound for the spice and spirituality of Southeast Asia, from where we delve into the splendors of the Middle East. Europe follows, bringing historic wonders and delectable food, before we cross oceans once again to return to Florida (you have the option to end your odyssey two weeks earlier in Barcelona, should you wish). With so much to see and experience, what Treasures of the Tides will you discover?
